COMPANY INTRODUCTION

Sayma is a leading company in the oil and gas industry in the Middle East and South Asia region, with a registration date of 2002. With more than two decades of experience in providing oil and gas equipment and services, also its activity is in supplying upstream and downstream.

Sayma takes pride in delivering high-quality and timely products and services to the oil and gas industry in Dubai and throughout the region, which had long lease of agreements on offshore as well as onshore operation. Sayma is capable for promoting and enhancement of technique of drilling operation, drilling services, supply oil and gas drilling tools and equipments. Sayma is committed to conduct its projects in a legal, ethical, safely, environmental friendly, and responsible manner to have the client satisfaction, through the expert knowledge of its highly sophisticated team of staff to achieve these primary objectives, Sayma's management philosophy and culture is dedicated to improve quality of its management as well as preserving our environment and providing health and safety at work.

SERVICES AND ACTIVITIES

Sayma is with joint ventures equipped to provide a full range of services in oil and gas industry including Drilling, Engineering, and Procurement.

Here are the brief list of the selected services and activities which Sayma is currently capable of providing:

- Drilling Engineering and Monitoring Services
- Quality and client satisfaction in all levels of activities
- Procurement of Machineries, Equipments and Accessories for onshore and offshore drilling projects
- Drilling Project Management
- Environmental protection equipment

EQUIPMENT AND FACILITIES

Drilling Rig and Accessories

Quality Policy

Our policy is to provide high quality products and services to our clients.

Sayma pays close attention to interrelationships, experiences, competence, skills, reliabilities and qualification of their management and staff that enable them to satisfy their clients.

Continuous improvement is a key issue.

COMPANY HISTORY

2002

Established in Dubai, United Arab Emirates under Trade License No. 535239, Carried out its activities in supplying upstream and downstream section of oil and gas industry.

2003

Sayma along with its partners established a private drilling contractor called Petro Hortash.

2006

Sayma / Petro Hortash owned four units of 2000 HP Land Rig.

2007

Sayma sold four units of 2000HP Land Rig to NDCO, Sayma and affiliated company in general they manage to sell ten more Land Rig to NDCO.

Sayma / Petro Hortash they sold two 2000 HP Land Rig to NDCO

2008

Sayma sold four units of 2000 HP Drilling Rig to Kala.

2009

Sayma, IOEC and China Petroleum Technology and Development Corporation (CPTDC) were jointly awarded to build up 2+3, Which contains of two units of 300 ft. Jack Up Drilling Rig and three units of 2000 HP Land Rig.

2010

Sayma sold Petro Hortash to new investors.

2011

Sayma and United Contractor for Oil & Gas (UCOG) made a joint venture to engage in performing onshore and offshore drilling operation projects in the Middle East.

2012

Sayma and SAFF signed a pre-bid agreement for refurbishing and Commissioning of Rajae Jack Up Drilling Rig.

Sayma, Spud Kangan and Honghua Golden Coast (HH) signed an agreement for refurbish of two units of 2000 HP Land Rig.

SELECTED PROJECTS

- **Sayma** & IOEC jointly construct two units of 300 ft. jack up Drilling Rig.
- **Sayma** facilitated and sold three units of 2000 HP Land Rig.
- **Sayma** they sold two units of 2000HP Land Rig.
- **Sayma** handle the manning of four sets of Land Rig to NDCO.
- **Sayma** sold four sets of 2000 HP Land Rig to NIDC.
- **Sayma** and SAAF signed a pre-bid agreement for upcoming tender for refurbishing of Rajaeie Jack up Drilling Rig.
- **Sayma** and SPUD KANGAN and HH signed an agreement for refurbishing of two 2000 HP Land Rig.
- Inspection and preparation of the SOW of Iran Amir Kabir semi sub platform overhaul. NIOC,KEPCO,TRICONSER.
- Memorandum of understanding for the construction and sale of two 1000 HP drilling rig In cooperation with LSPE and JDEVS.
- A tripartite memorandum of understanding with NIDC, TRICONSER and SAYMA to overhaul and provide drilling rig, training of manpower.
- Consortium for the supply of three 2000 HP onshore drilling rigs in Iran's oil fields with Petro Gulf Investment (Kuwait) Company.
- Four memorandums of understanding for the supply of offshore drilling rigs for Dana Drilling Company in offshore projects in the Persian Gulf.

SALES/PROCUREMENT

At our company, one of our primary focuses is the procurement of oil industry equipment and chemicals. Through partnerships with reputable factories, we are able to quickly and efficiently provide high-quality equipment and materials to our clients. We take pride in our ability to offer reliable and efficient procurement services, and our commitment to providing the best possible products and services is reflected in our work. Whether its equipment or chemicals, we work tirelessly to ensure that our clients receive the best possible quality, on time and within budget. At our company, we know that procurement can be challenging, but we have the experience and expertise necessary to make the process smooth and hassle-free for our clients.

SUPPLIED EQUIPMENTS

- Compressor
- Turbine
- Engine and Generator
- Heat Transfer Equipment
- Fire Equipment Handling and Packing Equipment
- Drilling Bits
- Drilling Pipes
- Top Drive and Spare Parts
- Lubricants

● MATERIALS SUPPLY

Most of the materials in Oil & Gas industry such as catalyst, additives, full basket of Mud Drilling, Cementing, Additive Cementing and Absorbers.

● DRILLING EQUIPMENTS

- Drilling Rig with Full Equipment
- Work Over
- Casing and Tubing (All of the Range)
- Mud Material & Cement
- Shale Shake
- Desander
- Desalter
- Sand Pump
- Drilling Liquid Agitator
- Mixing Hoper
- Cementing Unit
- Solid Control Equipment
- Plunger Pump
- Power Generator
- Drill Steam Testing Tools
- MFE System
- PCT System
- DST System
- BOP Stack
- Perforating Guns System
- Draw Work
- Rotary Table Equipments
- Mud Pump
- Drilling Pipe
- Spiral Drilling Collar
- Heavy Wall Drilling Pipe
- Square Kally
- Casing Head
- Christmas Tree
- Gate, Check & Ball Valve API 6A
- Chock Valve
- Drilling Bits

MAJOR BUSINESS PARTNERS

Lanzhou Lanshi Group Co., Ltd. (abbreviated as LS Group), founded in 1953, merged by Lanzhou Petrochemical Machinery Works and Lanzhou Refinery and Petrochemical Plant. LS has experienced a glorious course of 64 years., LS generations have been accomplishing the grand mission of equipping China's energy industry.
